

SH_NumericQuestionState::max

```
graph LR; A[SH_NumericQuestionState::setMax] --> B[SH_NumericQuestionState::max];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'SH_NumericQuestionState::max'. The box on the right is white with a black border and contains the text 'SH_NumericQuestionState::setMax' on two lines. A blue arrow points from the right box to the left box.
